
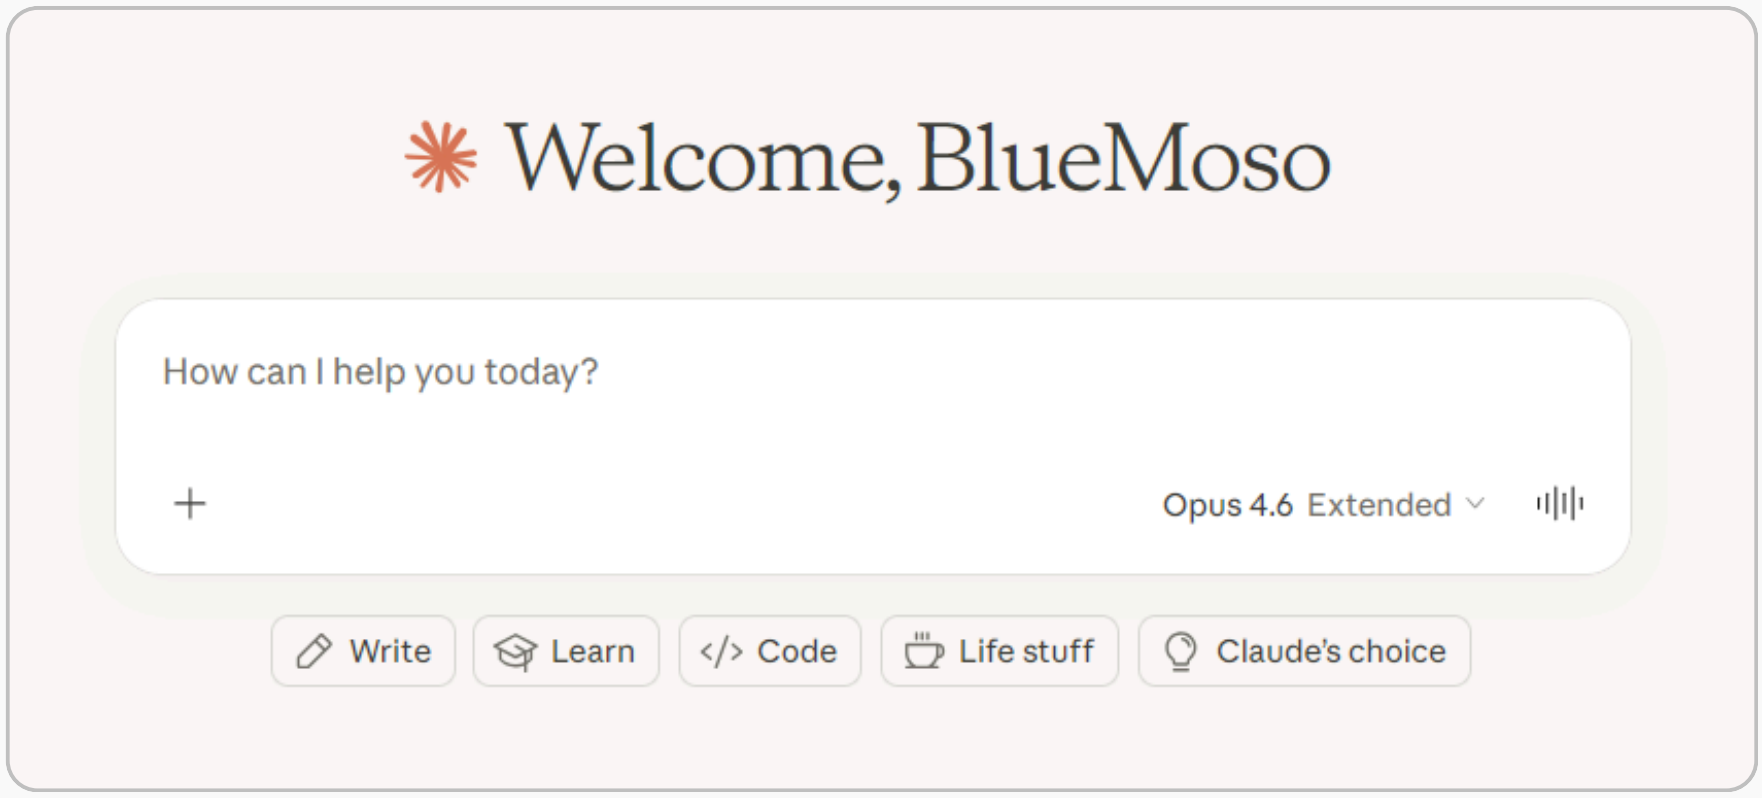
BUILD INTERACTIVE CHARTS IN CLAUDE

You can now build interactive charts directly in Claude

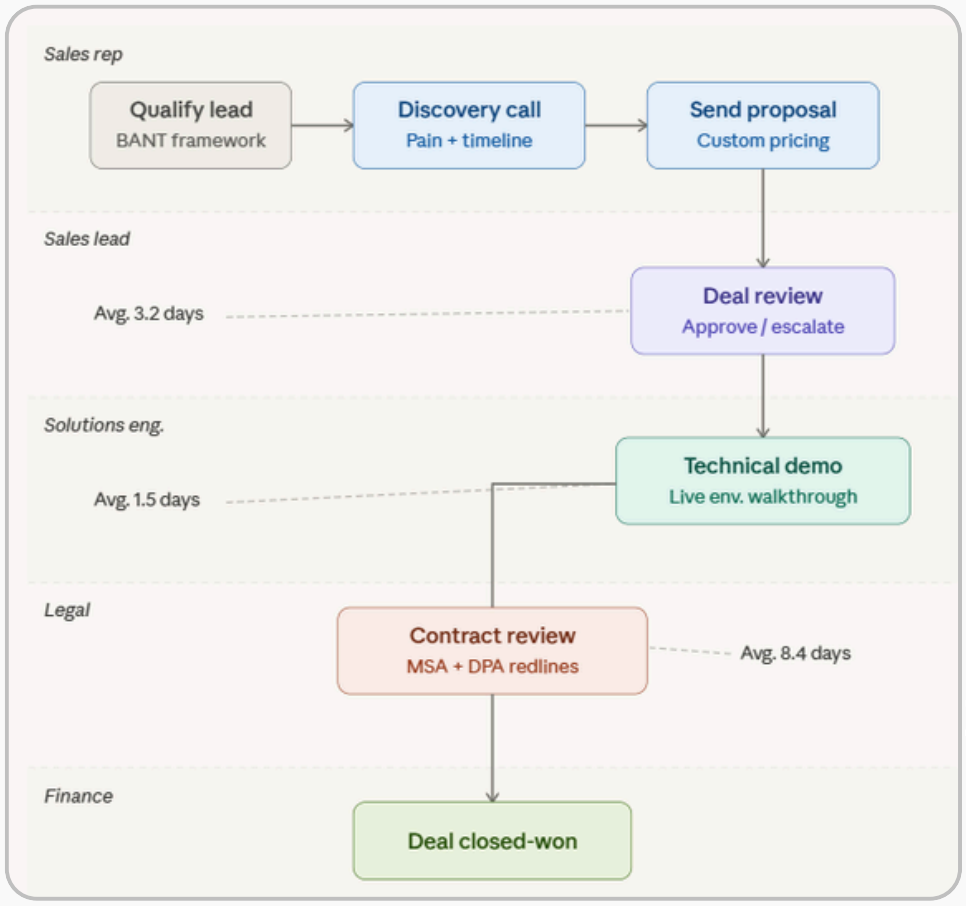
HERE'S HOW:

- → Open Claude at *claude.ai* (free, Plus, or Pro)
- → Paste your data or describe what you want to visualize
- → Ask Claude to build it

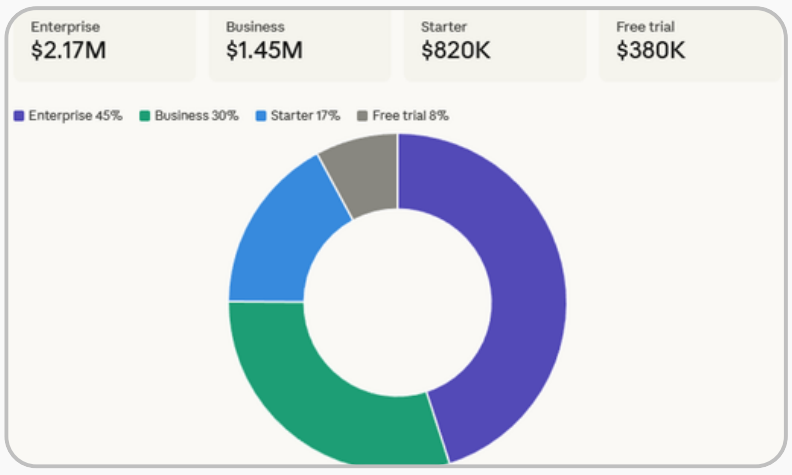


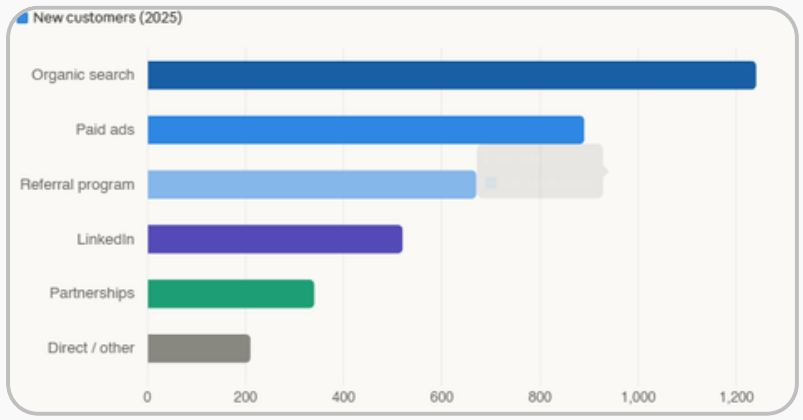
What you can build:

1 FLOWCHARTS, AND PROCESS DIAGRAMS

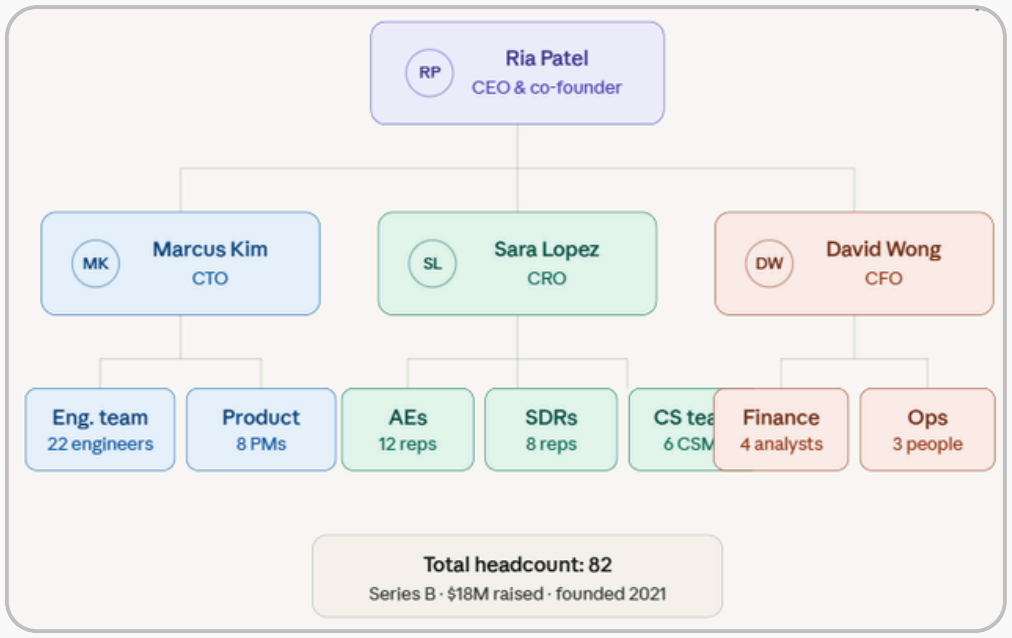


2 BAR CHARTS, LINE GRAPHS, PIE CHARTS

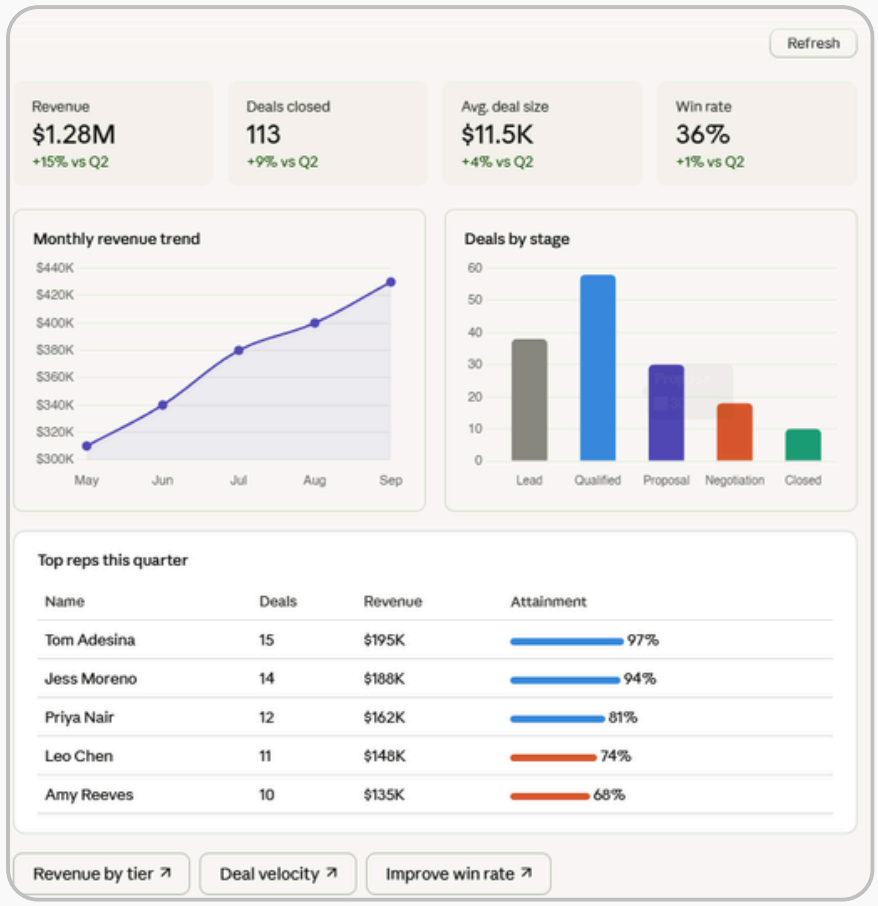




3 ORG CHARTS AND MIND MAPS



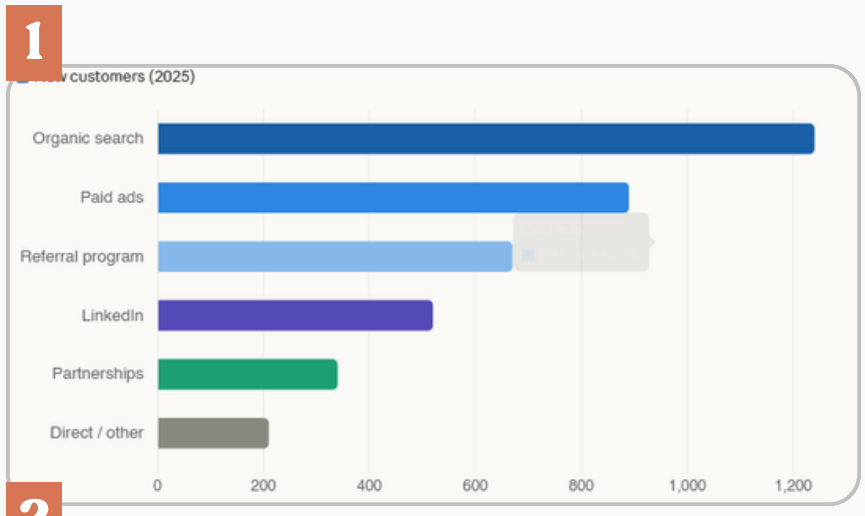
4 INTERACTIVE DASHBOARDS



Prompts to try:

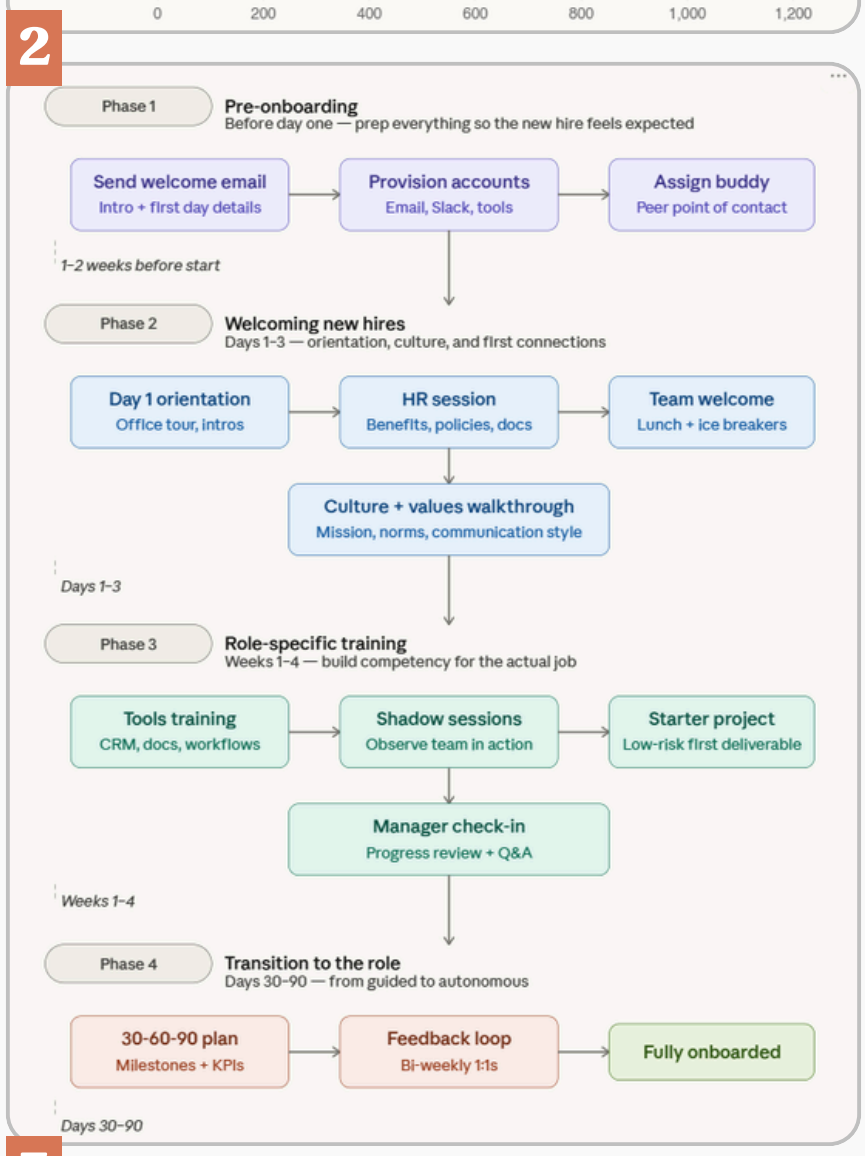
1 SALES DATA INTO BAR CHART

Turn this sales data into an interactive bar chart: **[paste data]**.



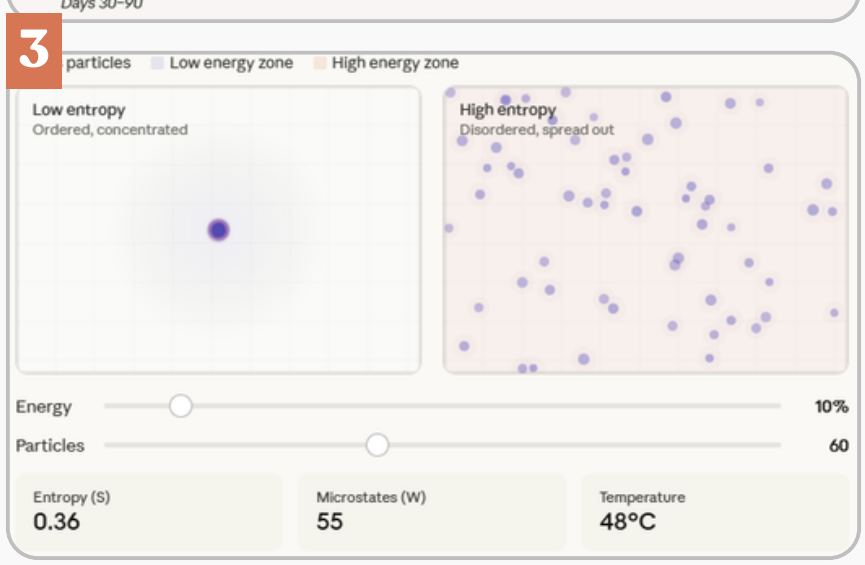
2 FLOW CHART PROCESS

Build a flowchart of our onboarding process: **[paste steps]**.

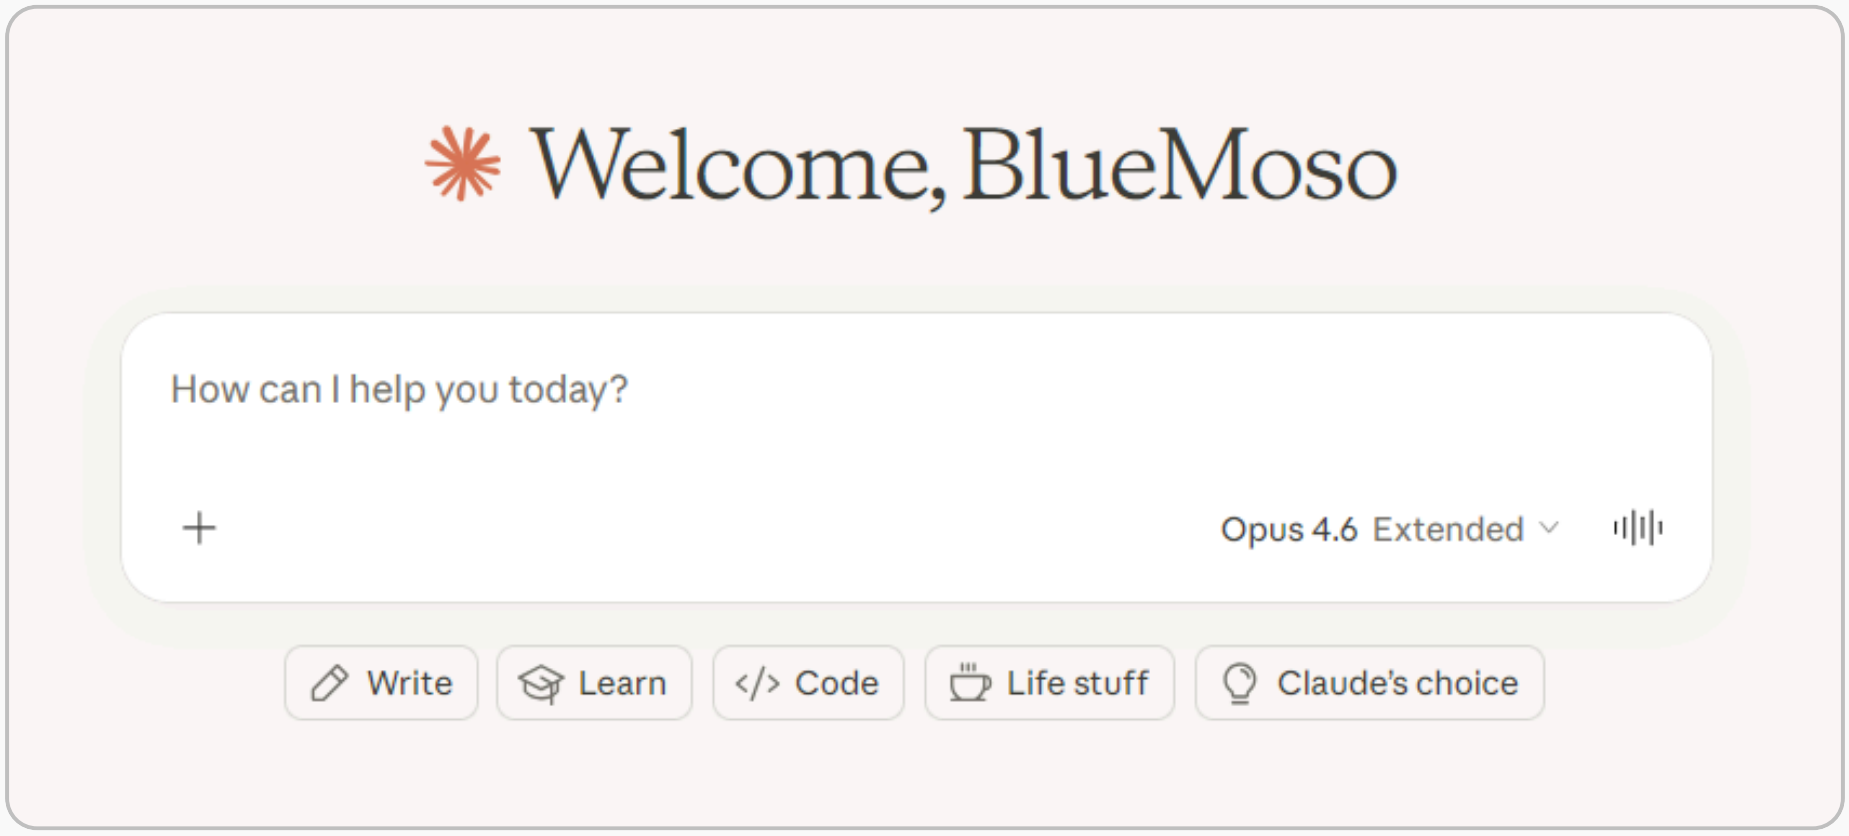


3 DIAGRAM TOPIC EXPLAINER

Create a diagram showing how **[topic]** works.



AVAILABLE NOW IN BETA ON ALL PLANS, INCLUDING FREE.



→ Try it: *claude.ai*
